Hi, my name Richard Taylor. I've been in the construction business for 32 years building houses from the ground up.

I'm taking my business to a new level by offering quality Home Inspections. I will go the extra effort to make sure you have a thorough inspection. I will go under your home and look for damage. I will go into your attic and look for leaks, rotten wood etc.

You will receive a 16 page report about the condition of your home. It will include pictures of the areas that are damaged, rotten, or leaking, etc. so you can see what I see.

Call Richard at to set up an.
