

2D Animator and Motion Graphics

Location **Arizona**
<https://www.genclassifieds.com/x-695710-z>

Local video production company is seeking a talented 2D animator and motion graphics artist for current freelance work with the opportunity for a full time job. This work would need to be done in office so working remotely wouldn't be an option.

Please have thorough experience with at least after effects, photoshop, illustrator and more. This is not an entry level job and we aim to deliver the highest quality work possible.

Core responsibilities would include art design, character rigging and animation as well as motion graphics work. 3D animation skills are also a huge plus but not required.

Please respond with your resume and.
