

Geoscience Laboratory 5th ed (GEOL 1111L) (40 USD)

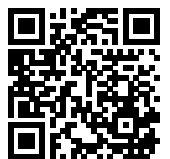

Location **Arkansas**

For sale is a used but decent condition Geoscience laboratory 5th edition book used for General Geology Lab GEOL 1111L. All pages are included and some have been written on/answers filled in from previous owner. Asking \$40 firm. Brand new at the campus bookstore would cost over \$90! Save a ton and buy mine as I no longer need it and selling it back to the bookstore would benefit.
