Pepper is a stunning black Lab who found herself a stray and was quickly rescued due to her amazing personality, like all Labs, she loves everyone. She is no more than 2 years old, about 60 lbs, she's possibly a slight mix, with what, we have no idea, she's 100% Lab in personality but she is very mellow and will chase a ball but hasn't learned to bring it back yet. Pepper is so well behaved and has the best personality, quiet and very docile. Sh'es very sweet, great with kids, housebroken, rides well in the car, great family pet all over.

Good with other dogs but not good with cats, she's around 2 years young, spayed, heartworm negative, all vaccines, health certificate, etc. Email us today and come meet!
