Hi,
 I have been working in Design, Publishing & Graphic Arts for more than 14 years.
 I have extensive experience in Graphics, Advertising, Marketing, Magazine-Book Publishing, Packaging, Labels, Pre-Press and Printing.
 I am very creative, detail oriented & offer fast turnaround.

Fluent in the latest computer graphics & software, like: QuarkXPress, Adobe CS5 and CS6 - Photoshop, Illustrator, InDesign, Acrobat Pro, Microsoft Office, FTP and more. I work on the latest Mac Pro.

I've developed a variety of communication materials. I've done advertising campaigns, corporate identities, logos, catalogs, brochures, booklets, postcards, flyers, posters, magazines, books, collateral materials, invitations, cd & dvd packages, media/press kit folders, branding, labels, packaging, boxes and websites. I also offer a full range of photography services.

I provide Printing Services for all client projects. I understand all aspects of pre-press and print production processes and technology.

Contact me for rates on Design, Production, Photography & Printing services.

Please take the time to see my work <http://www.LukaszDesign.com>

Thanks
