At Trinity Professional Services, our company strives to be the best cleaning service in Michigan by offering a variety of Home Cleaning Services to our current clients and our new clients as well; we have experienced and professional house cleaners, thorough carpet cleaners, and we offer an affordable Interior Painting Service, that our clients definitely get what they are paying for when it comes to quality!

Our company offers different categories of Home Cleaning Services to a wide variety of clients. For our Residential & Commercial clients, we offer weekly , bi-weekly, and monthly home cleaning services. As well as, Light Detail Cleaning & Deep Detail Home Cleaning services .

### Light Detail Cleaning Services:

Light Detail Cleaning Services consists of light cleaning, sweeping, dusting, vacuuming & mopping. This service is automatically added to the Deep Home Clean Services and the cost of cleaning is also included in our weekly & monthly maintained cleanings.

get it Clean

We clean your home from top to bottom. From ceilings to floors, our team makes sure they polish, dust & deeply clean everything inside and out. We clean your home exactly to your specifications. We understand that not everyone needs their entire home clean, you may only need certain areas cleaned or specific projects completed. Whatever the job, EPS can get it done!

Please contact us today for a "FREE" estimate and get your home cleaned the right way!
