Red Sun Revolutions is a forward thinking, futuristic, progressive post rock band consisting of multi-instrumentalists Joseph Guzman, Michael O'Brien and Kenneth Eberly. We are based in the Dallas / Fort Worth area.

We are seeking a bassist in the midst of writing our new album "Symphonies for a Fire". Our sound takes inspiration from artist such as Puscifer, Bauhaus, Nine Inch Nails, Skinny Puppy and many other post-industrial and dark wave influences. We'd like for you to come play with us if you are available. We rehearse in Haltom City three times a week. We have a fully furnished rehearsal space with a bass and bass rig. The only thing we need you to bring is yourself and your skill.

The following are very important to us:

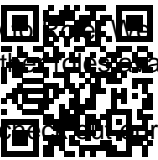

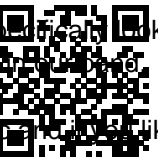

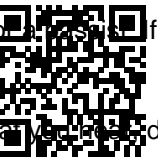

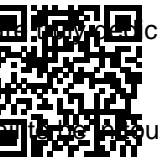

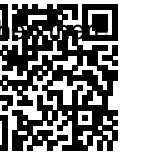

Flexibility: Be available 3 times a week (in the mornings or evenings)

Transportation: Have your own transportation and make rehearsals on time.

Marketability: We are looking for a member in the age ranges of 20's to mid 30's. We maintain a fit and marketable appearance and expect the same from our new member.

Communication: Be available to communicate over the phone as often as needed to keep up with schedule changes and coordinate events.

Dedication and Attitude: Come excited and ready to play! We are all very passionate people and love what we do. Our writing process is very balanced and our songs work well because no one member is trying to outshine the other. We seek the same in our forthcoming member.

 <p>Integrity: We are significantly looking for a bassist if you are motivated by your instrument. This is a very important role in our band. We have no other roles available. Please reach out to our music industry like what we do and don't be like us such!</p> <p>Sincerely, Joe Guzman (Vocals / RS)</p> <p>https://www.genclassifieds.com/x-697442-z</p> <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>	 <p>Established Band Red Sun Revolutions Seeking Bassist for New Album (DFW)</p> <p>https://www.genclassifieds.com/x-697442-z</p>
