ello my name is Stephanie and I need a ride for me and my dog as soon as possible to Salt Lake City Utah I am pregnant and I am was going to adopt to this family that I am staying with right now. She had my dog stolen and dropped off. And and she went back on the agreement. It was was that she would provide the transportation to get home. if it didn't end up working and now she refuses to give me a ride anywhere me and my dog need to get home and away from here I know nobody in California I have gas money and willing to pay for the gas so please contact me as soon as possible if you are already going that direction or if you're willing to drive that direction I'm in desperate need to get out of here please help
