Restorations, customs & hotrods. Cars and pick ups from the 1920's-1960's is what we love to do. The older the better. Flexible and reasonable.

- Will do:
- Engine Swaps
 - Suspension Upgrades/Repair
 - Brakes upgrades/Repair
 - Power Window/Lock Installations
 - A/C Kits
 - Re-Wiring
 - & More

Have something else you want restored like an old gas pump or something else from that era, let me know.

The older the better.
