Hello, If you're looking for a wonderful childcare provider, then I'm the person you're looking for!! I will love your children like they are my own. I would treat them like they are my own. I know how hard it is to find good childcare and how expensive it can be. Childcare is either affordable, but not the right hours. Or the right hours but not affordable. I'm here to help. Whatever your hours are WE WILL MAKE IT WORK!! I'm not trying to make a living off of childcare. I do it because I absolutely love children. I love watching them grow, learn & experience new things. Most of all I love when they come and give me a hug or say I miss you after they've been gone all weekend. I work with my parents, but once we set up an agreement, I expect you to follow by it, as you expect me to follow by our agreement. My biggest pet peeve, is NON PAYMENT, OR PICKING THE CHILDREN UP AFTER WE'VE ALREADY AGREED ON A PICK-UP TIME(I understand sometimes things happen, but it shouldn't happen 2 or 3 times a week). I also will do part time. If we decide on part time, I do ask that you pay for the time that is set aside for your child, regardless if the child comes or not, (it's to hard to fill part time spots). I can do childcare whenever you need it. I must say weekends and overnights are more expensive. I have a complete background check for all 50 states, that I would greatly show you. I'm sorry, I don't take state pay(to much of a headache for me), but do know several childcare providers that do. If interested please email me, with a telephone number. I used to put my telephone number up, but I got too many spam calls or overseas calls. I only got room for three more. I take children from newborn -6 years old. Hope to hear from.
