Need help with mowing the grass, blowing leaves, trimming, picking up branches, hauling items to back yard, general yard clean up.

Rate is \$10-15/hr for the clean up for a few hours plus \$30 for mowing/trimming the lawn (same rate for mowing/trimming twice monthly till season ends)

Please respond via email with cell phone and we will get back to you today. Looking to start today or tomorrow to get the yard back mowed and cleaned up.

ooking to hire a housekeeper to clean my house monthly. Also wash dishes and windows... all the easily accessible ones anyway. Vacuum/dry mop hardwood floors, clean kitchen, bathrooms, sink, sweep concrete floor in basement, remove a few cobwebs... easy cleaning.

Just moved to Springfield, Vt so there will be lots of unpacking and hand washing of dishes. Sorry no dishwashing machine.

I also have other properties that will need cleaning that are residential and commercial.

If you have your own supplies, that will be helpful but I have most of the basics. I'll buy whatever supplies needed for future if you will be returning.

Please email me if interested with your Name, telephone # and email address.
