I will not only train your pet obedience, protection, agility, tracking/hunting but I will show you how to train your puppy when im not there! So your knowledge can grow and build along with your children!

A little about me is I am a private passionate trainer! No corporation or crazy amount of money needed! This is all passion! I'm licensed by holly and hugo dog training and have clients with amazing dogs already. My psychology degree has also helped me decipher these animals brain behaviors. I use positive all natural reinforcements with markers! No shock collar or negative reinforcement! This is recess for your puppy, all fun and games!

No gas money nothing extra needed. Just 60\$ a session and I'll come and take care of all your dogs needs. Also a session has no time limit I will work with your dog for as long as his mind/body can go! Guarantee you will see better results than any 100\$ trainers.

No age or breed limitation. My goal is to train dogs to be great examples and teach people how to train their dogs! Instead of a crazy amount of money I'd rather have your good word of mouth!
