

# year old fixed declawed cat (rogers)

Location **Arkansas**  
<https://www.genclassifieds.com/x-709917-z>

hello, we adopted a male cat, we were told he was 9 months old, he seems more like a year old, he is fixed, and his front paws are declawed. he's cuddly and likes to talk. he gets along with dogs after a couple days of being around each other. rehome fee applicable just to ensure a good.
