Fender Rhodes, Moog, Talkbox, Piano, Funk, R&B, Filtered & tweaked, Customized Funky Dangerous Disco Lines for you...

These are what I want to add to your music. All you need to do is send me an mp3 and a tempo, I'll set it up and play the parts for you. You can be as specific or as broad as you like in terms of what you want from me, I'll work at it till we get something you like. Also skilled with harmony, adding 4 and 8 bar phrases that keep a groove moving. Good for you beat makers. Between 50. to 200. dollars per track, depending on the work you need.

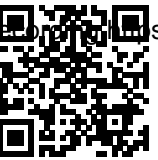

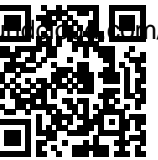

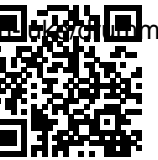

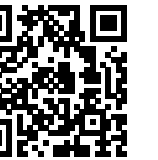

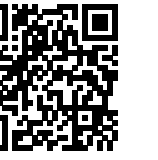

I am a good communicator, easy to work with.

I live in Amherst, not far from Hartford on 91 . Good transport, can come to you. I'm also a pro drummer; it's my first instrument. My training and experience is in Jazz, R&B, Funk, Blues. Funk and Blues are what I love most. I teach this instrument quite a lot to pay the bills. If I come to you I will bring a nice MacBook with 16 GB of ram, set up to be a music and Funk machine for sessions, along with a 2000. dollar RME 802 interface, so you can capture MIDI and audio, right out the back. Or I can just play into your stuff at your place, but you may like some of the sounds I've tweaked over the years.

Check out a few examples, see how you like me. Links below... Thank you.
