Cash paid, no touching, semi nude and nude erotic style. NO MALE INVOLVEMENT. Cash in hand at the time of the shoot, \$100.00 and up per session.

This is a perfect part time gig for soccer moms, servers, receptionists, health care professionals, theme park employees, attractive girls and women from all walks of life who have an adventures spirit and would like to earn extra spending money by being photographed in a safe, warm, loving environment. There is absolutely no Male/Female sex or touching involved; this is not an escort or escort related position.

I have enjoyed this photo hobby for 20 plus years; photos are for my PRIVATE COLLECTION ONLY.

For consideration and to arrange for an interview, send recent natural, unretouched photos and a bit about yourself; photos need not be nude.

Your privacy assured, references.
