

LOST DOG (Ahuimanu)

Location **Hawaii**
<https://www.genclassifieds.com/x-710085-z>

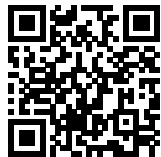

Lost October 31st. Very friendly dog named Roxy. She is a Vizsla with tags and microchip. We think she got spooked by the thunder and lightning and jumped the fence. If you see her, she'll be afraid and may not come to you when called. Please contact us ASAP! *
