Open Monday-Friday 8am-5pm.

I am a former elementary school teacher with over 20 years of experience working with children and decided to provide child care from my home. I have a Bachelor's Degree in Elementary and I am pursuing a Master's Degree in Early Childhood Education both from Eastern Michigan University.

We offer breakfast, lunch and an afternoon snack. We have circle-time every day and follow a preschool curriculum. We also have a large, fenced-in backyard with plenty of fun for kids of all ages.

My goal is to provide your child safe, loving, fun and educational environment so that they are prepared to start kindergarten when the time comes.

Certified in CPR and First Aid through the American Heart Association.
