QuickStart Sports aims to teach young children and toddlers the basic skills of basketball, football, soccer and tee ball. These skills if taught in the beginning will surely provide a huge advantage to these kids when it is time to participate and compete at the early elementary and middle school age. Being a step ahead in the beginning will only lead to being a step ahead as the child progresses through their life in sports!

I have a Go Fund Me account that is set up for anyone interested in contributing money towards the company. All funds generated will be used to buy more equipment (balls, bats, gloves, cones, ect...) and t-shirts for the kids who participate in QuickStart Sports programs. If you are interested in any sort of contribution, please email me and I will be happy to provide you the Go Fund Me link.

Thank you in advance for reading my posting,
 Chris
