Call Eric for More in about Pos system

Get the Best POS for Bars and Nightclubs. The best POS for bars and nightclubs is highly customizable so you can determine the features and functions that work best for your unique establishment. Advanced features like employee scheduling and time card trackers, inventory management that integrates flow metering and order placement with vendors can all help smooth back of the house operations.

Efficient front of the house operations can impact customer service in a major way. With the right bar and

nightclub POS system you can input repeat orders with the stroke of a key, manage open bar tabs, split bills, special orders and happy hour rates. Comes with your printer system installed.
