11wks old Siberian husky, He is housebroken and up to date on all of his shots and vaccinations. He is also

neutered.He's one of the most friendliest dogs I have ever encountered. He'll show love and affection to anyone as

well as any other pet. Cooper has a lot of energy like all huskies so preferably he goes to a home with a large

fenced in yard. He's 20 pounds, white with icy blue eyes, loves to play, great family dog, and listens for the most

part. We are asking a rehoming fee to make sure he goes to a loving home. He comes with all of his paperwork as

well. Please message me if
