JONATHANHARRIS dot INFO/Rentals

####

We have updated 2 bedroom units in this complex that is in North Torrance in a very convenient location close to 405 and Redondo Beach. The landlord covers basic cable, hot water, trash and gas bills! Booyeah!! There are several units possibly available (with other move-outs scheduled), so there may be an option for a 6 month lease with excellent credit and deposit. Please be prepared to complete a rental application and be ready to move in within 30 days before calling on this unit.

We are looking for tenants with strong rental app with good credit, job history and a deposit equalling one months rent.
