

Trombone and Bass Player Seek Drummer (New Orleans)

Location **Louisiana**
<https://www.genclassifieds.com/x-710896-z>

I'm the Bass Player; myself and a Trombone Player are looking for a good drummer with a small drum kit to play with us for intimate coffee shop type setting. Improvisational playing will be the order of the day to start but in doing so we are looking to create a set list of originals. Only those who wish to create and grow as a trio with us need.
