Classic punk rock (Halifax)

Location

Hi to whom it may concern, my name is Jake I am looking to put together a classic punk band. Don't care how old you are just don't be a tween or an elderly person haha. Not looking for pop punk or post hardcore. I used to be in an indie band called Brontosaur find it on Facebook or band camp if you want. I played bass and rhythm guitar. I can play most anything I pick up at least a little bit.

Influences for project.
