

# Pet Sitter Available (Burlington)

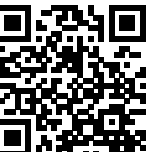

Location **Vermont**  
<https://www.genclassifieds.com/x-711424-z>

Hi I'm Mellisa and a pet sitter, specializing in caring for pups, cats, rabbits and birds. I love taking long walks, going to the park or even hiking, depending on the dog wants and needs. My cat, Milo, can attest to my sheer love of cats, either lap time or feather time!

I live in Burlington and have been petsitting/ dog walking for a few years. I have a tiny business, Citizen Canine, and really reasonable prices. You can check out my page/ contact me, get testimonials, etc at [facebook.com/citizencaninevt/](https://facebook.com/citizencaninevt/)

Let me know if you're!
