

Need someone that knows what there doing to drop 2 limbs out of a tree

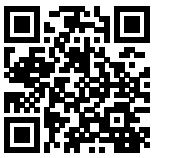

Location **Louisiana**
<https://www.genclassifieds.com/x-720824-z>

2 medium sized limbs on a tree that's being cut down. Approximately 15 foot up. You will need a ladder, or know how to climb. I have a chainsaw, and ropes. You must have a way of getting up to it!

This can not be your first time! It should not take more then a hour to get the 2 bigger limbs out. Will pay good, will pay cash!

Please contact me via text
Sean
