

Dog in search of a good home (Hamilton, NJ)

Location **New Jersey**
<https://www.genclassifieds.com/x-720847-z>

I have a 3 year old black mouth cur that I am looking to go to a good home. He is a wonderful dog and great with my children unfortunately I do not have enough time for him as everyone in my household works full time and none of us want to see him left alone all day. if you are interested, please call, text or email me. I would like to setup a meet and greet to assure he will go to a god
