

Toyota Tundra (5500 USD)

Location **Wyoming**
<https://www.genclassifieds.com/x-721056-z>

Selling my 2000 Toyota Tundra 4x4 w/290000 miles. Truck runs excellent. 4WD, A/C, Heat, Cruise control etc all work as they ought to. Clear coat is peeling, otherwise the Tundra is in very good condition. Has like new Michelin LTX tires. Truck also has a brand new tonneau cover, and a great matching canopy. Fairly firm on the price. Thanks for looking.

For more info. please feel free to text or call:.
