

Bad Heat Exchanger (all mid tn.)

Location **Tennessee**
<https://www.genclassifieds.com/x-721074-z>

i can install you a brand new Goodman 3.5 ton gas pack , with full ten year parts warranty for 3500\$. These installs are premium installs with real square to round fittings , for better airflow into and out of the unit, not "flat tapped" .a new Honeywell digital thermostat and a new shroud.

Call me today Charlie ,

Many Nashville area references.

we also do crawl space moisture barriers,

Ducting repairs, from single additional lines installed to full system upgrades to the minimum code R.8 standards.

Trouble areas (hot spots) resolved

Bath venting

Range hood venting

Dryer vent replacements.

Gas line modifications from kitchen range additions , gas logs hooked up .
