This boat is ready to go. It has everything needed to change from a ski/runabout to ready to fish in just a few mins. I am only the second owner and know the complete history, and have all papers. It comes with everything included, depth sounder, anchor, life jackets, 2 batteries, paddle, ski rope, new tires on trailer, plus a spare, new radio and speakers, also a long range Marine Radio with antenna, spare prop, trolling motor, bimini top, and cover. 100 HP.
