

2001 Daewoo Lanos mechanic special (400 USD)

Location **Alaska**
<https://www.genclassifieds.com/x-730022-z>

Ive replaced the fuel pump fuel regulator and distributor cap. Im tired troubleshooting whats wrong with it. It was running fine up until it seemed like it ran outta gas. It has 90,000 miles body is in good condition. Gonna need locksmith key broke off in
