

Do You Enjoy PR (Oahu, Neighbor Islands)

Location **Hawaii**
<https://www.genclassifieds.com/x-730129-z>

Have a background in PR, communications or marketing? The AARP Foundation Tax-Aide program could use your help! Through the dedication of 200+ volunteers across the islands, more than 15,000 tax returns were filed last tax season (2/1-4/15). Although most of our volunteers are involved in providing low-to-moderate income taxpayers assistance with free e-filing the Partnership and Communication Specialist (PCS) is not required to be a certified tax counselor (although program knowledge is critical so guidance will be provided). The PCS is a member of the State Management Team and works with the program's State Coordinator to address the needs of the AARP Foundation Tax-Aide program across the state. This is a volunteer position. Please call

with any questions or to request more.
