I'm a single mom who recently acquired a pair of guinea pigs (based on our therapist recommendation) for my son to help him medically. My budget is restricted but I want to help him in every way possible.

To keep cost down, I'm looking to buy quality guinea pig supplies (i.e. food, bedding incl. fleece, toys, etc) you may no longer need or want. Also, a small scale to weigh them for monitoring there health-preferably digital.

I appreciate any suggestions on places to purchase these items at low cost.

Please e-mail with any questions/suggestions you may have.

Thank you for your help!
