Hello my name is Tony I run a small Lawn Business here in town. I specialize in Mowing and Trimming and Blowing off all hard surfaces. Normal Yard is \$25.00 per mowing I take the grass. goes up from there on bigger yards. small yards i have a \$25.00 minimum. I also do Sprinkler repairs at a very reasonable cost and done right. I also do Fertilization. Prunning I prefer to bid cause there are dump fees involved, the same with any haul off work. If it's outside work I can do it. If you hire me I Gaurntee you will not be disapointed, also if you refer me to a family member or friend you get a discount. I can be reached at 208-841-8two11 you may call or text, that is best for me. If you choose to email it may be a little longer for me to get back to you I'll do my best, if that is what you refer then please click the link above and shoot me an email. Thank you for looking at my add and God!
