

need a musician to collab for St Judes project (Northridge)

Location **California**
<https://www.genclassifieds.com/x-730639-z>

looking for the right person that can help me put together a song I'm planning To send very soon to St. Judes Children's Hospital .. I have a general idea of how i want it to flow but could use some direction....I have a gang of other songs that are complete but the producers that I already know only want to put out songs if they're about sex money..etc so im try and switch up tha vibe.... if youre interested ,call me at the number listed
