Unfortunately we need to find a new loving home for my Moms dog Lucy.
 Due to some recent separations in the family we no longer have the time to commit to her like she deserves.
 Lucy would be best with either an older family to give her soft cuddles or someone to get her to exercise more. I wouldn't recommend a lot of small children. She's not vicious but will bark if she's man handled.
 She's a barker but usually warms up pretty quick to people you trust.
 Lucy is getting old and needs someone to be with her and love her.

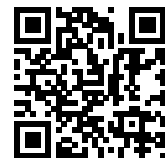

If you can be that person please feel free to contact me via email.
