 49875 Miles.....6-speed manual transmission.....Color is "Rescue Green"
 Freedom 3-piece hard-top with driver and passenger side removable panels. Also have the OEM soft top! (w/storage bag) This Jeep was kept in my garage, no off-road use. Hard top was hoisted/removed in the summer and only driven on nice, dry days. Locking steel vault drawer under drivers seat for protection of your valuables.

Clean Title - No accidents - Under CarMax "Max Care" Warranty currently.
 I have owned this Jeep Wrangler JK for the past 2 1/2 years, no issues with it. Purchased it from CarMax and bought the extended warranty. This thing is stock, with no modifications. The Mountain Edition is a limited edition appearance package offered by Jeep in 2010...made it look like a Rubicon but without the stiff suspension, electric disconnect sway bars and larger Dana 44 front axle. Rides and drives just great...just under 50,000 miles currently. I put on less than 2,000 miles per year while I have owned it. Pictures speak for themselves. This would be a great winter/summer vehicle, third vehicle, all weather convertible. Nothing but Fun! I don't drive it enough so it needs a new home.

Asking \$22000
