

Russian Tortoise

Location **North Dakota**
<https://www.genclassifieds.com/x-731035-z>

Angus is around 3 years old. He loves acorn squash, being petted on the head and having warm baths in very shallow water with no soap while getting his shell scrubbed with a toothbrush. Please do some research before deciding to get a Russian tortoise. His re-homing fee is \$60 to make sure he goes to a good home. Email with any.
