Pre-owned - USED

WINDOWS 10

Working condition - Reloaded with a fresh install of Windows 10, no other software installed. Operating System ONLY

I currently have 6 of these items. All have some minor scratches/nics. These came from a tech school gym and were used with virtual training bicycles. They have had very little use.

The one pictured might not be the name & serial number of the computer you will receive but it will be in excellent working condition.

Guaranteed not DOA
