**\*\*SMART Location for Martin Luther King MLK Skiing Jan 15-22**

Beautiful 2 bedroom, 2 baths time share unit with near new carpets, furniture, beds, bathrooms and appliances.

GREAT LOCATION (see the map!) -- directly across from the slopeside ski in/out Marriott Mountainside and the Main Park City Lift Plaza. You get all the same convenience and access as those who pay big bucks to stay at the Marriott -- but at a fraction of the cost!

You'll be just **ACROSS THE STREET** from the slopes, dining, bars, outdoor ice skating rink, horse drawn sleigh rides, ski school, ski repair, shopping, and the Park City Mountain Resort central shuttle/transit bus stop!

You can completely avoid the normal hassles of cars, buses, lockers -- just walk across the street!

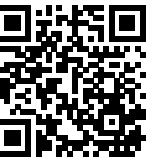

If you already have a car, you'll appreciate your reserved space in our underground parking garage -- no searching for spots late at night or digging out in the morning!

Full kitchen and ideal location gives you the budget-stretching option of having lunches in your own comfy condo! Just walk across the street from the lifts, kick off your boots, have a bite, a glass of wine or

a frosty IPA, get warm by the fire, then head on out -- or not! Great for those who can't or don't want to ski or a fun, fun day in a lift chair. Our comfy couch, wish to sit in a chair, and a full kitchen experience -- this is a great place if you have the kids, or one of those who like to relax when the snow is out!

Lock in your lodging now while it's available and you can relax thru the holidays knowing you've gotten the most important part of your MLK & Sundance vacation handled!

2 bedroom / 2 bath condo -- \$595/week (only rented for the full week Jan 15-22)  
 All beds are queen sized. Plus surprisingly comfortable queen sofa bed in living room.  
 So it sleeps up to 6 comfortably.
