My cat wondered out the doggy door the other evening(Christmas eve). Ive searched frantically to find her and no luck. Im hoping someone can help me out! I live in the neighborhood right to the side of bayview hospital on eastern avenue. I just got a new phone and the only picture i have of her ss a background shot. ./ I appreciate any and all help!! Her name is Elsa and she is extremely frindly. If you find her please give me a text or a call.
