Location **South Carolina** https://www.genclassifieds.com/x-731736-z

Greetings, I have about 10 trash bags and a couple of large cardboard boxes that I need taken to the dump. I can load them into your truck if you can take them for me, my truck is getting worked on at the moment and I have no way of hauling anything. Pay is \$10 and should take less than 30 minutes of total work, thanks!

(I can also give you a beer if you drink)
