Interested in adding cello to your music but not sure exactly what you want? I'm here to help! I specialize in playing by ear and can work with you to find just the sound you're looking for. Skilled in both improvisation and sight reading music, I've played a wide range of styles with many different types of groups.

Here's what some people I've worked with have to say:

my wedding. What really impresses me about Krista's playing is the amount of purposefulness and meaning that she brings to her music. She really tells a story with her music whether she is playing improvised worship, acoustic versions of contemporary songs, or classic pieces."

- Alison Hoenes, bride / cellist / fashion designer
