QR Code Link to This Post *Amazing Maltese male and female w/ excellent pedigree, **** I have recently moved into a house with a very small yard, and just lost my grand mom. who was breeding the puppies and just past away for this reason We are trying to find a good home for our 12 weeks old puppies, we are really heart broken .they are very sweet, smart, loving animals. Gorgeous, tiny, top quality Maltese puppies, registered, de-wormed, with first puppy shots and 1 year health guarantees. they are three puppies great with Children and other dogs. I will be very selective on a home for them. Contact me if interested. Please serious inquiries text only only.
