QR Code Link to This Post I used to be in the wholesale business. I have hookahs, body jewelry, lighters, glass pipes , and other stuff like that. I have my own my own ebay account/paypal (most of the scams want you to use yours).

Basically i want you to put listing on ebay, craigslist, facebook, wherever you can sell my stuff. You get 30 pct of the net which is the selling price minus , ebays fees , paypals fees, shipping fees.

You will be responsible for listing and packaging and.
