QR Code Link to This Post Hi, I'm a producer in Detroit...

I produce music, TV shows, and just celebrities all around...

We air on Comcast and we have a dedicated Roku channel where we broadcast worldwide...

I need someone to answer my phones  
and work my social media all day...

And sometimes drive me around...

(I get a lot more work done when I'm not driving... and I drive a Benz truck)

In return for your services...

I'll let you come with me when I hit celebrity events...  
I'll let you travel with me when I go to Atlanta and LA on Entertainment business...  
I'll let you get on TV  
and I'll show you the behind the scenes of the entertainment industry...

Once you learn what you have to do  
and I'm not a hand out I'll be fast

start salary

Of course, I'll always make sure I'm shooting you money...

and make sure you look like a star

you can't be with me and be my assistant and be BUJIMY)

You must be 18 or older

Experience is a plus but not necessary...
