

CARPENTRY AND TILE WORK BY ONE OF THE BEST IN THE BUSINESS (CAROLINA)

Location **South Carolina**

QR Code Link to This Post All work priced and performed by myself with no outsourcing to subs! This way I stay competitive with my prices by not hiring cheap and or illegal help to do the work and line my pockets for doing nothing but quoting the job. Plus you get craftsmanship work from a man with 30 years experience. All work pictured is mine and not pulled off the internet like is obviously apparent in a lot of ads Ive seen posted on CL and the reason some pics are of the work as its being done.

Homeowners only please and NO flippers or renters looking for cheap cheap hurry slap it up work. Plenty of others on here for that.
