QR Code Link to This Post Locomotion Alaska band is looking for an experienced drummer as a member of our team. Â

We are a part time, top 40 pop/rock show band that plays only corporate, private clubs and events in Anchorage area. We are all excellent entertainers and have a reputation for great performances. Plenty of gigs already booked starting in Jan.

Currently performing as a 5 piece, we do a very wide range of material from the 1950's to current including vocal tunes, instrumentals, and show pieces. A challenging and exciting repertoire.

We rehearse 1-2 times a week and gig about 2 times a month, year around. No drugs or alcohol. No circuit players, or other band commitments. We want a drummer committed to this project only.

Must have job, family and other personal interests that allow a commitment to this project.
