

Russian brass samovar tea service (150 USD)

Location **California**
<https://www.genclassifieds.com/x-769569-z>

QR Code Link to This Post Was purchased in the Middle East in the 1970s. Has no manufacturer's marks on it. Wood handle on water valve missing. Other wood slightly chipped. Otherwise appears complete and in good condition. A few dents and scratches.

Probably made in Russia in the late 1800s or early 1900s when these were very popular in Russian middle class.
