Location **Michigan**
<https://www.genclassifieds.com/x-769674-z>

QR Code Link to This Post I am looking for a woman that loves to kiss and would enjoy occasional nice long kissing sessions with an older man.

I am open to any age from 25 through 70.

If you could host, at least after you get to know me, that would be a big plus. And if you live within 15 miles of Rochester Hills, that would also be a big.
