We are looking to hire 3 part time girls to work for our escort service.

Although we have employed many girls of many different ages and nationalities, girls that are white and near the age of 23 typically has the most success with our customer base. Although looks and personality will always be the key factor.

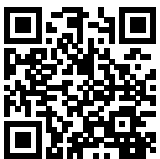

Come with us and make \$1000 a week even more. This is a great opportunity for someone new to the business. We treat our employees respectful and kind just as we expect out customers to be treated by you.

Whether you are looking for short term money right now or long term, contact us now we can help.

If you call us please be ready to leave a voice message if we do not answer and you will be called back.

\*Please apply with non nude photos.\*

\*Please be atleast 18\*
